

**Graham Minton**

Old Course Hotel & The Duke's

1 Assistant PGA Professional

Graham is a new member of the Duke's Team, starting at the end of the 2019 season. However, this is not Graham's first job in the golf industry, he has worked at Royal Dornoch Golf Club, Skibo Castle and Golspie Golf Club and plans to draw from the experiences he has had at each club to deliver a coaching style that aligns with the vision of The Duke's Academy. Coaching has always been a passion of Graham's all through his PGA Training at the University of the Highlands and Islands, where he learnt from former Ladies European Tour Player, Lesley MacKay. Lesley's enthusiastic manner and passion for teaching golf rubbed off on Graham and he is excited to implement what he was able to learn, in the Duke's Academy.

*'The fundamentals of the golf swing are hugely important to become successful in this sport, no doubt about it, but if you're not having fun, what is the point?'*
